There's an awful lot of sexy action goin' on out there — screwing, chewing, wooing, doing unto others etc — and we've got plenty of pages set aside for the purpose. Spill the beans to us here at Razzle, 2 Archer Street, London W1V 7HE. And if you send us a picture we can use there's a tenner in it for you too.

Water Restraint

I think this subject will be of interest to some of your readers. I have practised and trained myself to control and hold my bladder for long periods for some years now.

It all started one afternoon when I was in the sixth form and when I asked our form mistress if I could go to the loo, she said "No, you know the rules, nobody leaves the room during lessons, didn't you go at dinner time?" "No," I said, "I didn't have time, I had a hockey team practice."

"Well I am sure a healthy girl like you can wait a little longer, you girls must learn to control yourselves, you never see me leaving the room during lessons." So I had to sit crossed legged for about an hour with a full bladder, by the time I got to the loo I had even leaked a little wee into my panties. I told my Mother about it when I got home and she said "you will have to start training yourself."

"Try holding it a little longer each day," which I did.

After while I found I could hold it easily for longer periods. My Mother even noticed I wasn't going to the loo as often as did. During my holidays I would often wait until I heard her go before I went myself. Sometimes this took some doing as she seldom went on first getting up in the morning, and often didn't go until evening. The first time I tried this I was bursting for ages waiting for her to go.

I kept saying to myself "she will have to go soon she must be bursting also," in the end we went at tea time. I heard her on the loo and she seemed to wee gallons, then I went myself and thought I would never stop. I had never wee'd so much in my life before.

I am 30 years old now, and being at home all day I often only go to the loo once a day. Like the other day I helped my husband with some decorating, we started early morning, not getting finished until late evening. During which time we kept stopping for various cups of tea etc. When we finally did get finished about ten o'clock "Right," said my husband, "now I am off for a bath."

"Hang on," I said, "I'm coming to the bathroom with you, I am bursting to go to the loo," Once on the loo my pee simply poured out in a continuous stream. When I finally did stop weeing, he said, "you certainly needed that, when did you last go?" "That's the first wee I have had today." "Good heavens," he said, "how do you manage to hold it so long? I have had three today."

We chatted about the subject for sometime before we felt so sexy that we had to have sex there and then in the bathroom, on the floor. He said he'd never felt the same and didn't realise how erotic it was watching someone else weeing. Our sex life has never been so good!

Ruth's Half-Cut

I loved that high thighed costume Ruth was wearing with half her shaven cunt showing. Could you show another pic of this or her wearing a similar high thighed costume with half her shaven cunt poking out such as a bikini, swimming costume or leotard? She gets me wanking everytime.

Greg, Hounslow

Rippling Under

My fiancee, Doreen, has one of those tight, well shaped bums that other men stop and look at when she's out shopping and they don't know I'm with her. It never wobbles around or looks flabby and ugly when she wears loose dresses like some other girls' bums do at discos and she makes me massage baby lotion into her rosy buttocks every night to keep them supple — and me horny!

French Letters

Last year I went camping in the south of France with my girlfriend. We had a tiff as soon as we arrived and I left her in the tent and booked into a hotel. Things had been getting pretty awkward between us and we should have known better than going away together.

The first night I stayed in the hotel I felt quite upset and lonely over the whole thing. As luck would have it I bumped

WIN! SUP... NAUGHTY LETTER

SOPHIE'S FINISHING TOUCH

Got any lead in your pencil? It's wanks away as we're giving our randy *Razzle* revellers a chance to write dirty and tell us what Sophie gets up to next, in no more than 200 words. We'll print the winning story ending and you'll receive a year's free subscription to the best mag around — *Razzle* — plus a personal letter to you, from Sophie herself! And don't worry, you only hold a pen in one hand!

Send your entries to: Sophie's Choice Competition, Razzle Magazine, 2 Archer Street, London W1V 7HE.

The story so far . . .

Sophie chose the red dress with care. It was slightly smaller than her petite size 10, but she enjoyed showing off her curvaceous body and this little number did it well. She'd al-

ways had a passion for erotic lingerie too and when she spotted a pair of scarlet net crotchless panties and matching peep-hole bra she couldn't resist buying them. She slipped them on as soon as she got home and admired her body beneath them. They would do perfectly, she thought, for the occasion uppermost in her mind. Small tufts of soft pubic hair were easing their way through the netted grids on her panties. She stroked her hardened nipples...

Got the idea lads? OK, finish Sophie off — and make it dirty, 'cos that's how she likes it.

Roseanne

Roseanne, 18, lives indoors all year round because she came to Glasgow from Cairo and says she can't stand the British weather. We can't stand it either, but with sexy young imports like her around, it can easily become more bareable, very easily in fact!

into Jeanne in the bar. She was gorgeous and listened to all my problems. We spent the rest of my holiday together and when I came home and finished for good with my girlfriend, I wrote to Jeanne every week.

I enjoyed reading her long, sexually explicit letters and I invited her over here for a holiday after we'd been writing for about six months. I picked her up at the airport and as soon as we got back to my place we dived into bed and had a 24 hour long sex session which was magical. She wears the most beautiful undies and her sexual techniques are out of this world.

Unfortunately, after she decided to stay here her mother was taken ill and she had to go home but I took this snap of her to keep. Isn't she just gorgeous?

Fantasy Island

I recently fulfilled one of my fantasies and went to a nudist beach. I've always been a bit of a closet exhibitionist and the idea of prancing around on a beach in front of other people completely naked made me stiff just thinking about it.

I arrived at the beach, which had mainly dressed people on it, and laid down in view of a few nudists as well as some really horny girls who unfortunately were fully dressed!

I didn't take my shorts off straight away as I was really nervous but eventually I plucked up enough courage to strip down to the G-string I was wearing underneath my shorts. One of the girls opposite me, a gorgeous blonde who only looked about 18 started giggling and pointing at me to her friends.

I couldn't quite make out what she was saying to them, but I was obviously the centre of attention.

Very slowly I gently eased off my minute G-string from between my buttocks, gradually revealing the glistening head of my cock — I couldn't believe I was getting away with this in front of about 7-8 people. The girl who had been giggling was being jokingly shoved in my direction. 'Oh my God,' I thought, 'she's coming over.' Sure enough, she started walking my way and sat next to me glancing between my legs and smiling and said: 'My friends want to know if you'd dare to wank off in front of them now on the beach!' I thought why not, — in for a penny!

I started giving my cock long firm strokes and looking back at the girls. I shot my load to an enthusiastic round of applause and whistles from the girls opposite! That was just the start of a day of the most amazing nudism, I recommend it to all your readers.

An Open Case

Here's a snap of my girlfriend, Gaynor, wearing her crotchless knickers. They came out of a sexy Christmas cracker and were put at the back of her undies drawer. When the weather got hotter she was moaning about her sweaty fanny so I suggested she found the crotchless knickers. *She* found the knickers and *I* found an increased sex drive!

Fanny By Flashlight

Great mag, fantastic pics, delicious crumpet — keep up the good work! Here's a genuine tale for Ball Points — believe me, it's all true.

I'm 28, married to a sexy lass and we've five kids (it will be six by April). I recently started running my own odd job firm. We do a lot of work for this big hotel owner — and this is the story of how I had his wife!

Wayne and Sean and I went to this disco in town. We saw her — Gloria — on the other side of the room, and she smiled at us. About one o'clock we left and spotted Gloria in the car park waiting for a taxi so Wayne offered her a lift.

Wayne got in the back with her and I sat up the front with

the driver. Apart from Sean we were all a bit tipsy and as we drove along I could hear the rustle of clothes and the sound of a bit of slap and tickle. Sean gave me a nudge; it was obvious that my brother-in-law was getting on friendly terms with Gloria. We drove along in silence, then suddenly Wayne exclaimed in a loud, surprised voice, "Bloody hell, she's shaved, lads." I turned around but Sean didn't know which way to look and I told him to keep his eyes on the road.

Wayne had pushed her dress up and had his hand inside her knickers. Glorial pretended to protest but she didn't look the least bit embarrassed. We were on the new by-pass and I told Sean to pull in so he turned off down an old lane to a dismantled gas works.

Wayne struggled to pull her knickers down and she playfully slapped his hands saying he was 'a naughty boy' but easing her arse up to make it easier to remove them.

What a bloody fantastic sight. She parted her meaty things and there above her stocking tops she showed us (in pretended reluctance) her glorious haven. The whole public area was as clean as a baby's bum!

Not a minge hair in sight, her big, bare twat and tight slim cunt lips looked wonderful. I've seen a good few pics of shaven minges and Razzle comes up with a few; some strippers seem to shave but I've never experienced seeing a real live one up close and until Gloria I wasn't bothered much on the subject to be quite honest. But this was one hell of a turn on.

Eager to get a butchers, Sean asked me to pass him the torch from the glove compartment to 'shed some light on the subject' and aimed the beam spot on that incredible twat. "What you might call fanny by flashlight," Sean joked. She let Wayne go a bit further and he was giving her a grozzle when the boys in blue came along and spoiled it so we left quickly. Nowt was said as we drove her home but she asked us to drop her at the end of the

Cunting the Excuses

My girlfriend, Helen, has the most beautiful cunt you ever did see but she's very shy and wouldn't let me take a snap of it, with her in the picture too. Now, if you think about that, it makes life very tricky indeed. Luckily for me, my brother, Eric, has one of those zoom-in cameras so I managed to get the right bits in the pic. I also managed to see the neighbours at it and the woman opposite undressing in her bedroom. Marvellous things – aunts!

"BALLOONIES GO POP"

Our girls are full of hot air this month! Yes, Sue, Vivien, Stephanie, Moira and Rose are pouting their lips around the coloured, stretched rubbers and having a good old blow.

"I love the soft, slippery feel of balloons against my skin," says Sue, as she tweaks at the knotted end and holds it helplessly between her teeth. Rose runs her talon nails over the surface of the heavily inflated balloons and short, sharp, screeches ring out. She pulls and squashes the squeaky rubber over her bum cheeks and sighs. Meanwhile, Moira is gently caressing her balloons and the girls watch as she runs her moist lips over the contours and lasciviously licks the see-through fun balls.

"We'll all be back for more of this," say the girls, who reckon this romp was a full-blown success!

RAZZLE ROMP

...LKY SCREENS

by Wayne King

Do you know what a soya bean and a vibrator have in common? That's right, they're both meat substitutes. But in my view there's no substitute for a damned good video, particularly if it's loaded with more humping than you'll find at a removal men's convention. Now people watch video movies to improve their mind, which is all very well and good if you're a boring bastard who hasn't had a really stimulating sexual experience since that wet dream caused a short circuit in your electric blanket. But to me *Gandhi* is just another Indian takeaway. For entertainment I want to see *Debbie Drops Her Drawers Part V* and *Cannibal Nymphet Chainsaw Vasectomy* — movies that give you such a thrill they have to chisel you out of bed after watching them.

Having established the ground rules for my preferred intellectual entertainment let's get straight into *Big Boob Special Number Nine* (Action Essential Video), a film which does not sod about with such necessary trivialities as a plot. Yes, it's horny bonking action from start to finish here — and that's just in my living room.

Basically these ginormous birds wander in, whip off their over-the-shoulder-boulder-holders and swing 'em about wildly, while the cameraman dodges about like a chicken in an Ethiopian refugee camp. I hope the poor bugger was wearing a crash helmet.

This is the sort of tape that is best watched in the company of a few drinking pals. Their comments of 'Phwaaa! Look at the lungs on that one!' and 'How does she stand up straight with hooters like those?' will provide plenty of atmosphere and drown out the inane comments of the girls themselves, who come out with such deadeningly brilliant remarks as 'Men have always been interested in my boobs' and 'I usually stick out in a crowd' — puts you right off if you're in the middle of a solo round of five knuckle shuffle. I'm sorry girls. I don't mean to be sexist about it, but if God had wanted such women to be intelligent then he would have given them a brain.

Just in case Germaine Greer is looking in, lets move on quickly to *Massage Girls* (Electric Video),

which is not quite such good value for money because it wastes our valuable wanking time on a storyline. A leading Norwegian sex therapist named Sven has been commissioned to write a book on American sexual behaviour and uses this as a good excuse to fly over to Los Angeles and get his end away in the town's many brothels, strip clubs and massage parlours. I've been trying to get the Editor to sub me on a trip to Kings Cross, but he's not having any of it. Anyway, after a week of hectic sexual activity Sven's goolies are aching so much that he wishes he'd had the foresight to cut a few inches off the top of his Wellington boots. If it's rampant raunch you're after then this one will get your joystick throbbing. If not then why don't you piss off and read *Cosmopolitan* instead.

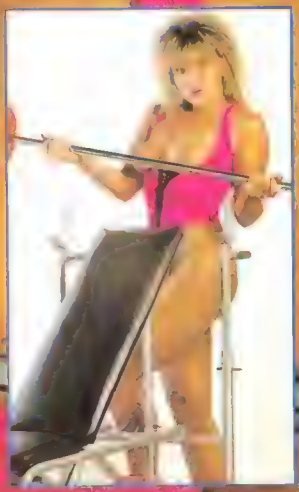
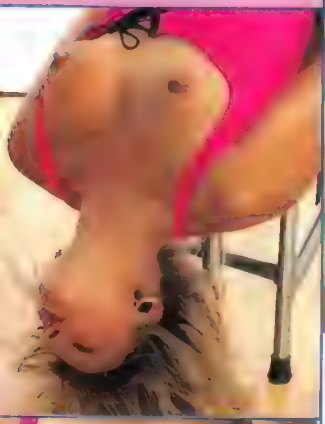
HEATHER FOR LEATHER

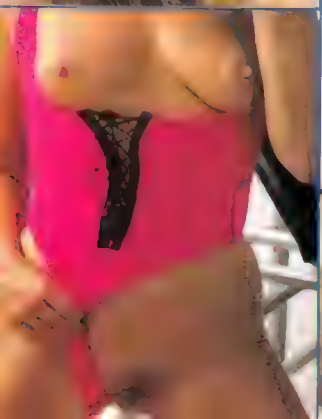
Girls are talking dirty these days. Have you noticed that? They really get into it, up to it, down to it, plus the odd broken chandelier. That's what Heather likes. She wants to bring your filthy dreams to the surface and act them out. So, tell her what to do . . . and she'll do it.

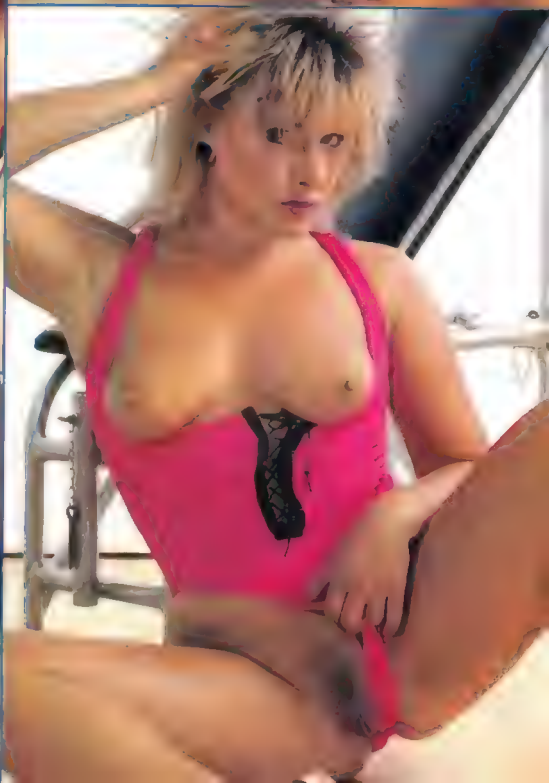
Surely you must have wondered where I get all my strength from to keep up all these activities of mine? Well, I put it down to my sexually active glands and an extremely dirty mind! I expect you all know the best way to keep yourself trim? No . . . well, I'll give you three guesses. No not jogging as this can be a very dangerous activity for those of us with boobs busting out all over the place, and pretty precarious for any admirer who decides to get a closer eyeful. Try again . . . no, not swimming, although I'm quite partial to a bit of breast stroke. Yes, you've got it — fucking, and as it happens this turns out to be the best sexercise you need to keep all your wobbly, naughty bits in perfect working order, it also happens to be my favourite hobby. Deciding one day, after feeling literally shagged out, that I needed to be more disciplined with my work out routine, I bought myself some gym equipment. I used to take a trip down to my local gym but the trouble

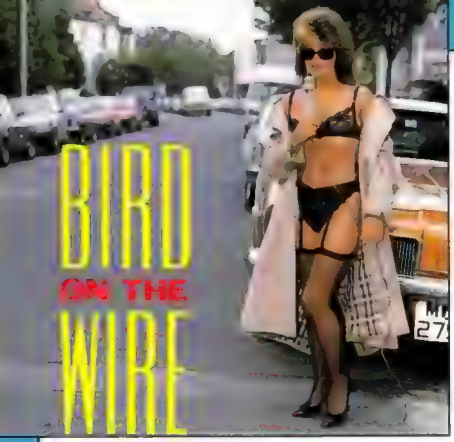


was there were too many distractions. Not that I'm complaining but I seemed to end up pumping the fuckable, fit men instead of pumping the iron. I always start on my floor work, it enables me to stretch everything to the best of my ability, even though my legs spend a lot of their time spread to their limit anyway! After the floor work I move onto my arm muscles. I use the weights to tone my wrists and arms, it's always best to keep them in tip top condition for a good wanking movement. I must be one of the best wankers around 'cos this guy I'm seeing at the moment likes to go for two hour wanking sessions at a time. Leg muscles come next and we all know that having a good fuck standing up can be a knee trembler, but the absolute killer if you're not in peak condition is the crouch fuck. I can keep this position up, or down, for ages. I'm sure I'd be in line for a gold medal if they held sex-olympics. Now, there's a thought, I must go and have a word with the Ed!









She's got no shame, our Janet. Nothing's safe from her torrid tape recorder! This month, she's been carrying out a private investigation into a well-kept secret — how you feel when you go into a newsagent's to buy your monthly copy of your favourite mag, *Razzle*. She's even poked her microphone under the noses of a few female shop assistants, asking how they feel when a guy with a twinkle in his eye and a hard-on in his pants slaps his soon-to-be-wanked-over copy down on the counter.

TED, 45, packer

How I feel about buying *Razzle* depends partly on my mood, and partly on the shop. I feel more at ease in a shop which has a good stock of men's magazines because I know they must be used to people buying them. If I'm feeling good, happy and confident, then I don't give a fuck who I hand my copy to and what they think of me. If it's a pretty young girl, I hope she'll blush just imagining me looking at pictures of naked women and wanking off. If I'm feeling low, though, I have been known to stand longingly in front of the top shelf, not daring to take down a magazine, and end up buying a tube of Polos instead.

DECLAN, 22, brickie

I've only bought one once. Most times my mates pass them around. The time I bought one was when a mate's sister was in *Meet The Wives*. There was an old guy behind the counter, who gave me a funny look, as if he was thinking, 'You dirty little sod.' I'd feel more at ease, and buy more copies, if they were sold at video shops, because the sales people in there are used to handling sexy videos so they wouldn't give a shit about sexy magazines.

MANDY, 18, assistant in corner shop

I'm a student and I work here part-time to supplement my grant. I haven't sold a lot of men's magazines, one or two. I've seen men come in with furtive expressions and eye the shelf, then look at me. Then either they've gone out again or bought a packet of fags or a newspaper. If these magazines are available, then nobody should feel guilty about buying them. I look through them occasionally. I think *Razzle* is great, it's got a nice, chummy sort of feel, though I don't think I'd go so far as to wave my wotsits around to make extra cash. I remember one guy who bought one. He was quite good-looking, in his mid twenties, I should think. Quite sexy. I thought what a pity that he was going back to his room, it meant nobody else could enjoy him getting horny. He must have been very highly sexed. As long as no-one's going to be able to identify me from this, then I'll confess to having got quite worked up thinking about him. My nipples went all hard when I was serving him and I gave him what I hoped was a saucy smile, but he just scuttled out, worst luck. I've never felt so aroused in my whole life. I could hardly yell, 'Have a nice wank' after him, could I?

DELROY, 30, recording engineer

We've always got spicy books around the studio. I love going in and buying them. I imagine the girls behind the counter wondering how big my cock is. I've often thought of handing the magazine over with my prick sticking out under it, so she'll get hold of it. I'd love to hear her scream and see her blush. Then I could say, 'Come back to my place, and suck this.' It's just one of my many fantasies, and there are plenty! That's what magazines like this are for, isn't it? And I say Razzle's the best.

CHEERFUL INDIAN LADY, late 30s

I don't mind what magazines people buy. It's all money to me. My husband reads *Razzle* but he won't let me see them, which is silly as I'm in the shop with them all day. I have peeped inside them, just to compare. A woman likes to know how her body is, compared to other women's bodies. I've never had a man proposition me while buying *Razzle*. I think they are embarrassed sometimes because they know I know why they are buying it. One day a couple came into my shop, a very attractive young couple. They were laughing a lot. They took a whole bundle of sexy magazines and paid for them and they seemed quite open about the fact that they were going to go home with them and have a lot of sexy fun.

ELDERLY GENT IN SHABBY SUIT

I have a big collection of men's magazines at home, including *Razzle*. At my age, I'm not ashamed about buying them, or what people think. Newagents are there to serve me with whatever I want, and if they think of me as a dirty old man, I don't care. I *am* a dirty old man!

PIETER, 34, Dutch tourist

In the Netherlands, everyone is much more open about sex. Nobody gives you a funny look when you buy magazines. I was very angry one day last week when I went to give a lady the money for my magazine and she muttered something to the effect of 'filthy pig'. That attitude loses customers. In Sweden I bought a sexy magazine and the lovely girl at the till rolled her pretty eyes at me and I made a date. We spent all night in bed at my hotel having a wonderful time, and she said the reason she accepted my invitation was because she knew I would be bound to give *her* a good time after reading my magazine and getting really horny. Now *that's* the right attitude to have. What did we do? Well, we started by having it off in the shower. I rubbed shower gel into her big, firm breasts till her nipples stood out, then I got down and licked out her cuntie and gave her an orgasm. Then I turned her round and fucked her from behind. Then, still dripping wet, I flung her onto the bed, pulled her bottom to the edge, spread her legs, knelt on the carpet and sucked her dripping wet pubic hair and stuck my tongue up her lovely, clean cuntie and sucked her clitty. She loved it. You'd be like that, wouldn't you? You look like a girl who enjoys sex. After that, I knelt over her and put my cock in her mouth and fucked her mouth and finally pulled it out and shot my sperms all over her gorgeous sexy lips and face. (*Okay, that'll do. — J.S.*)

BLOKE IN JEANS, late 20s

To be frank, I'd love to be able to walk into any shop and buy men's magazines, but I find it a real trauma. So often there's a woman behind the counter, and I just don't want her to know what I'm buying. It's like going to buy Durex. Sometimes I've plucked up courage and taken a magazine from the shelf and been about to hand it over, only to find a respectable old lady coming up behind with her *Woman's Realm*. Then I make some excuse, put the magazine surreptitiously back and make a frustrated bolt for it. Street corner booths are the best. There's usually a man in them, but they don't have such a big selection. I don't know what the answer is. Take out a subscription, I suppose.

MIKE, 45, plumber

I read *Razzle* every month and if I forget one month to buy it, my cock soon lets me know that something's amiss. I don't like reading stories about women who get off with plumbers when they go round, it has never happened to me, I've missed out there. My wife enjoys a varied sex life but she'd be horrified if she knew I got my ideas from a mag but then she'd be horrified if our sex life was a bore, you've just got to balance things out really.

FOUND! THE GIRL WITH 3 TITS

DOCTORS ARE BAFFLED!

There are girls with little ones. There are girls with big ones. But never, ever before have you seen a girl with *three gazonkas*. So have a good look lads — the triple do you good!

This lady has asked us not to reveal her real name for fear of bad publicity, but has allowed us to reveal that she is 23, lives in the Midlands and likes dancing. Her first name starts with B.

Miss B's bosoms have baffled medical science. "My third boob started to sprout when I was 16," she says. "I'd only had the other two a year so growing a third one didn't bother me. I assumed it was natural. It was only when I had a medical for a job as a tour guide at 18 that I was told I had one tit too many."

After years of tests, doctors still can find no definite answer to the case of the third funbag, though they believe the problem might be caused by hormonal imbalance. But Mrs Doris Spanner, 68, a senior white witch from Basingstoke, Hants, has another explanation.

"Miss B clearly has supernatural powers. We have known for many years that third nipples are placed by the devil to suckle demons. A whole third breast may be there to suckle good spirits. In any case, Miss B should be very talented at water divining." Miss B herself confirms that her middle mammary is a bonus for bonking. "It's by far my most sensitive. It makes me feel so erotic. I get tremendous pleasure from having it stroked, and a good rub can make me come in minutes. I don't know why it should be, but there you are. So there's no question of me getting rid of this tit. It's my pride and joy, and it makes a great talking point with a new lover. At social functions I disguise it with a specially constructed 42" bra."

PEEPING TOMES

OK, so what induced **A Nice Girl Like Me** *(Futura — £2.99)* to select Shepherd Market, Soho and Amsterdam as career venues? Gloria Lovatt is fast with the explanation, equipped with black tights and a red fox fur. "No girl," says Gloria, "was ever born a prostitute, there was always a reason." For here is the habitual hymen theft, followed by shingles, reform school, nasty dates and tracks on the wrist; stuff that hardens a girl's resolve. Thus, hookers in print is getting to be regular copy. Lots more to be made on insider-trading, going candid and snagging a chat-show spot than all the hassle of fucking, then disposing of the condom.

"My adventures," it says below **The Spy Wore Red** *(Grafton — £3.99)*, "as an Undercover Agent in World War II". These, you notice, are also becoming as common as sprigs of broccoli. What Gloria does for 'the game', Aline, Countess of Romanones, does for espionage. They both make it sound like choosing the right toothpick. Frankly, I begin to question the credentials of a writer who concludes one chapter with the words, ". . . and we kissed". In spite of the Mills & Boon factor, it's possible to see that exciting things happened to 'Code name, Tiger' while she worked for the OSS, but she's at a loss conveying this except by means of her own goose-flesh. Mine behaved well throughout the ordeal.

Much further up the scale, Griffin Mill is **The Player** *(Faber — £3.99)*, or senior vice president of a film studio being edged sideways by boardroom power games and sent menacing postcards by some writer he never got back to. Or it's a girl who lay on the casting couch with him, only she never got a speaking role out of it. His secretary looks at him the way a turd might, if it had eyeballs, yet even so, girls still approach him in pairs to ask whether he'd like to rub his cock in their new hairstyles. Michael Tolkin, author, lays down a cold, well-threaded style — part psychological insight, part brutal surprise — to show how the sheer steel fabric of a tycoon's mind can oxidise upon impact with genuine heat.

Then, of course, **Joe Bob Goes To The Drive-In** *(Penguin — £5.99)*, a Texan six-pack quaffer turned film critic. This is a man truly obsessed by his automobile, a Tornado, and especially its windscreen from which he can check out breast exposure average, head-rolling frequency, kung fu numerals, dubbed moaning and new, intriguing ways of wasting a human being on screen. As a drive-in fiend, Briggs is delighted to invite any low-IQ female into his passenger seat for a double helping of *Basket Case* and *The Evil Dead* on the understanding that she barfs on the tarmac. Likewise, he only approves of gratuitous nudity when it is necessary to the plot, which in turn should not interfere with the action. Advisable to see where you stand on this.

GIRLS ABOUT TOWN

Ipswich

After a night on the town, getting to grips with Ipswich's finest in 'Hollywood's' and 'Blades', Tracy and Ellen had got a taste for Suffolk smoothies and were keen to air their wares.

"Guys ahoy!" cried Tracy, perched on the fo'c'sle of the 'Royal Volunteer', pulling off Ellen's mini-skirt and nearly pushing her in. "I could do without a dip in the Orwell Trace," giggled Ellen, her tits flopping over the bow." But I wouldn't mind finding a saucy sailor to splice my mainbrace and fill my sails!"

In typically flighty mood; Ellen decided she'd prefer an air ace to a jack tar, so our famous flesh flashers took a trip to the local airfield. "I'm Ellen, fly me," she squealed as a fighter plane from RAF Mildenhall soared above them and thoughts of Top Gun filled their heads.

With no offers to take them higher the girls headed for Carrow Road, home of the illustrious 'Blues', Ipswich Town Football Club. But even the guys with the balls weren't around for a bit of 'end to end' play. "Come back Paul Mariner, all is forgiven," sighed Tracy, still hoping for a score in extra time.

First FOOTING

Does the thought of stroking and sucking women's feet or handling and sniffing their nylons make you shoot in your shorts? Is it something you ignore and hate or love and enjoy? We take a glimpse at foot fetishism through the ages and ask a few Razzle readers how getting to the heart of their soles has changed their lives.

Now not a lot of people know this, but the word 'fetish' comes from the Portuguese word 'feuco', which means charmed, appropriately enough. The dictionary defines fetishism as 'a complex in which the sex impulse or libido becomes attached to or fixated on some inanimate object'. We define it as 'bloody good fun'.

So when most guys are aroused by the sight of skimpy, sexy underwear, what makes other guys turn to feet and shoes and what exactly do they do with them? The attraction of a fetish object arises from its distinctive shape, colour and smell: as feet and shoes have all these in plenty, they're a natural target for a fetish fiend. Ejaculating into boots, slippers and shoes is the most popular method of enjoying a foot fetish. But what do men think about when they're pumping away into a pair of slingbacks with the smell of a worn, laddered pop sock being incessantly inhaled? In fact, it isn't always thoughts of the female from whom the items have been taken: usually the act is associated with an early sexual encounter.

'I was too embarrassed to look at Denise as she undressed in front of me for the first time,' says Derek. 'When she slipped her shoes off I stared at her painted toes and they looked like a row of baby penises and I remembered when I was young and my mum would tickle my feet,' recalls Derek who uncannily enough, is the assistant manager of a shoe shop in London's East End. 'I lost all my inhibitions as I began stroking her feet, I've never performed so well.'

When you feel your sex life is lacking that special something, think back to the ancient Greeks who, obviously ahead of their time, had playful intercourse with their toes. Toes would be used to excite the clitoris, and then inserted to fuck the partner. They even finished off with a good suck and lick of their own toes afterwards! If you find it hard touching your toes (men) and you're the one at the back of the aerobics class (women) don't be over-enthusiastic on this one if you're trying it out for the first time!

Toes tickle clitty

One question we have to ask is — why do feet smell of salt and cheese, of if you're unlucky something worse? We're told it's a build up of dead skin and sweat but, hardly erotic as it sounds, feet do give out mating calls with these arousing smells. 'Yes,' says Doctor Perez, a leading psychoanalyst, 'if you put your partner's sweaty shoes in a line with other people's and then blindfold yourself and mix the pairs up, you'll be able to sniff out your partners',' he claims. As the temperature in the Razzle office was in the 80s when this article went to press we declined experimentation with Dr Perez's challenge! (Our Editor refused to take part too, so we all know who's got the smelliest feet in the office!)

However, Doctor Perez went on to tell us that men who enjoy sucking women's feet are often searching for their lost childhood and probably discovered sex at an early age. If dipping your girl's feet in custard and smearing them with cream is your idea of a passionate hors d'oeuvre it means that you don't actually enjoy the act of sex itself but prefer to savour the ache of anticipation. But if you drool over women wearing shiny red boots or shoes and dream of shooting your load into them, you're a red hot lover with no inhibitions and are raring to go all night.

Sucking sweaty feet

Mark, a painter and decorator from Norwich, told us about his encounter with Lucy. 'She'd been coming on strong for weeks but I didn't want her to think I was after one thing so I held back on the sex. After about three weeks she turned up in a pair of bright red, shiny stilettos. I took one look at them and went wild, we were having sex within minutes in the back of my car. When she questioned me about it I realised that when I was a young lad I'd caught my mum having intercourse with the coal man in the shed in the garden. My mum was wearing red shoes at the time.'

Erotic as the sight of women's dainty feet may be, they're suggestive too. Imagine sitting opposite a beautiful woman wearing seamed nylons. She's slipping a foot gently out of a shoe, letting the shoe hang tentatively on her toe for a moment before it drops. Her foot begins curling up and sweeping slowly up her leg, caressing her calf, as she wriggles and separates her toes. It's enough to make you hot under the collar — and enough to find you're turning into a feverish foot fetish!

Fix it for You!

I'm studying for my history 'A' level at the moment and we've just spent a day on prostitutes (not literally unfortunately) and how they were picked up in London and bundled into cells at Newgate prison in the olden days.

I find this subject particularly stimulating and would be pleased if you could fix it for me to see a whore behind bars. It doesn't matter if the setting is ancient or modern — I just like the idea.

street in case her hubby saw our car.

Next day was Saturday and we turned up for work as usual, a bit bleary eyed, but fit and eager to get on with the job. The husband, Jim, was just leaving to play rugby.

We went in the kitchen as usual but fixed our own tea and were just about to put the mugs in the sink when we heard Gloria coming downstairs. Sean and Wayne were making a beeline for the back door but I told them to hold on and when Gloria appeared in the kitchen she looked a wee bit sheepish, so I said: "Looks like you need a nice cuppa, missus." Nowt much was said for the next five minutes and as she sipped her tea she looked down and said she hoped we weren't big mouths because she wouldn't like her husband to get suspicious of her nights out.

Wayne and Sean just stood there like a pair of prize pricks so I walked over to her, looked her straight in the eye and said, "Nobody's going to tell your old man anything. But let's face it, darling, with that shaved fanny of yours, it's enough to get a boy scout horny." And taking a chance I sliped my hands inside her dressing gown. She looked surprised but didn't move away. "Where's the bedroom?" I whispered, as I gave her tit a squeeze. "This way," she said.

We lads pushed each other as we went upstairs and I could feel my dick getting bigger and bigger. She called out from one of the bedrooms and we rushed in. What a sight, like something from a porno video but live! There on the bed was Gloria, dressing gown gone and here nightie was pulled up, her legs open to reveal that fantastic shaved twat of hers. "Is this what you boys want?" she asked.

We got our clothes off in double quick time and I had my jeans off first so I jumped on the bed, intending to get in her first. I pushed her nightie up first to her tits then right over them till it was round her shoulders and as Sean started playing with her knockers I positioned myself between Gloria's legs.

I was able to hold my dick and rub it all over her bare twat, up and down her slit. She was wet and I asked if she wanted it. She nodded, so I got my leg across and had her while Wayne and Sean waited impatiently.

She loved the shafting I gave her. When I'm having a woman I like to get full penetration or I don't enjoy it and it took some effort to get it all in. She has a tight cunt for an older woman, but with a bit of help from a leg up each I got my dick in right up to the bollocks — fucking lovely!

I reckon her husband, Jim, must have a little 'un because it was hard work getting my average 7" all in. By the way she was going on you'd think she hadn't had her ration of you know what for ages; she couldn't get enough and squealed like a stuck sow when she got her rocks off. When I shot my load up her, her cunt

		1981	

Phil, John and Alan were all lucky enough to get married to virgins, a rare thing these days! Over three successive years the girls lost their cherries in a different place — a tent, the back seat of a Ford Escort and even, would you believe, a bed! Can you work out who had who, where and when? Here's a few clues to help.

1. Phil had his woman in the back of his car.
2. Melanie, who hates camping, lost hers before Susan or Jenny.
3. Jenny was shagged in a bed. But not by John.
4. The camping trip wasn't in 1981.

muscles milked me dry! Wayne had his leg over next and then Sean and she kept coming off time and time again. The woman was insatiable!

That's how its been, with us around she doesn't need to go looking for blokes. She has three horny guys on the job all day long so to speak. She can't get enough. Some days, she just stays around the house in her dressing gown and we take turns fucking her whenever she wants it. It's very healthy for everyone. One of the few perks you could say!

Pants over Knickers

I've entered into your competition (Razzle volume 7, number 5) to win Deb's knickers, I hope you've received my entry? Well, it got me wanking away like mad and I'm writing to ask you if you could do this with some of the other girls you feature. Deb's looked quite randy but my sort of girl is Heather. Can I have a pair of her knickers, preferably the ones she went fishing in? If she's not keen on the idea, ask Gina if she's got a spare pair, the ones she wore under her waitressing outfit. Of course, the obvious answer would be for me to win Deb's knickers but I wouldn't want to think I was buttering you up, Ed? I have been a Razzle reader for four and a half years . . .

Deb's decision will be final, Graham, but we'll ask the other girls for their comments and of course, panties! — Ed

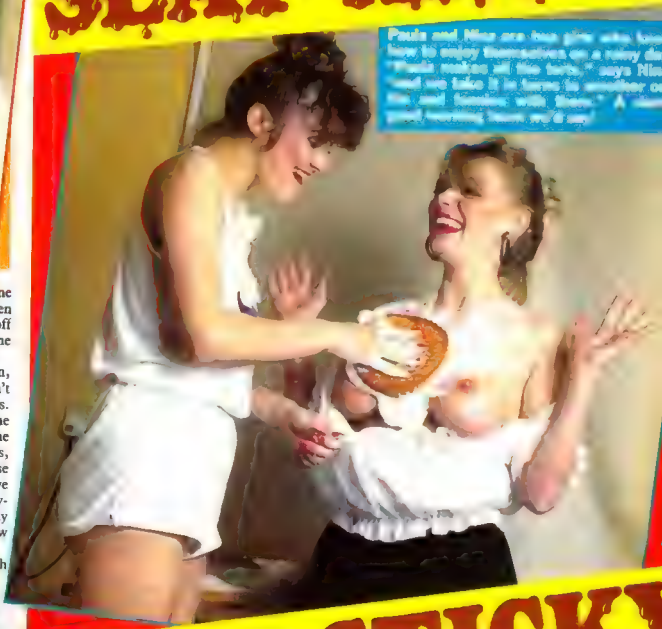
SLAP AND STICK



Paula and Nina are two girls who know how to enjoy themselves on a rainy day. "Paula makes all the beds," says Nina, "and we take it in turns to smother each other and ourselves with flour." A messy game, but nothing more we'd say!

Roving Eye, Hands And Glands

I think that the verbal erotica of Roving Eye, Vol 7, Number 5, is pornography at its most beautiful and romantic and coupled with the explicit photos of surrendered Victorian nakedness, the set is a treat for the sexual and aesthetic senses. The girl portraying Frances is an irresistible delight; a long-legged Bambi sensitively exposing the gentle, refined curves of her heavenly body. She, and the cultured prose of the story, express to us that the highest, most glorious art form in the world is the act of total sex between an active, imaginative young man and a blossoming maiden with romantic, classical good looks, such as Frances.

I confess that I imagined that I was the man in that set, dining upon that banquet of silk-smooth female flesh. That perfect fair goddess was on her pale knees before me tenderly sucking and licking my venous cock into a monstrous erection while massaging my burning balls. Ah! those sweet, glossy lips — made just to pleasurise the proud male member. The pretty darling attends to my rude manhood so lovingly that I soon burst my dam in an

In the Pink

Lorraine enjoyed her trip to London to have these pics taken. It was a far cry from her usual days spent serving sweets and papers in a corner shop in West Yorkshire

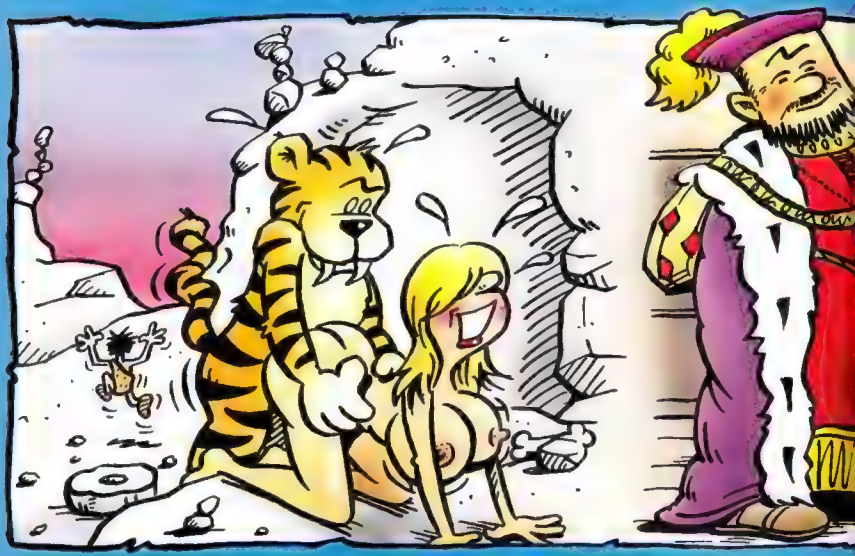
We reckon this girl's bonbons look pretty tasty themselves and we'll have a quarter of her sherbert dips, too! We asked her if she'd let us slowly lick her lollies to which she promptly told us to go suck a gob-stopper.

"I hate sweets", she declared. "I've bought 'em all, seen 'em all and tasted 'em all," she said. Yes, we reckon she's had her share of allsorts but she's not met the truffle of her dreams yet. "Yeah, I've dated a lot of smarties," she laughs. "All I really need is a tasty Minstre! — hard on the outside, soft inside, and won't go all gooey until you swallow it, if you know what I mean."

Sounds like there's an aniseed twist there, Lorraine?

RAZZLE
DAZZLER

HISTORY OF S



If you think your sex life's on the barren side then consider life ten billion years ago when the earth was a gaseous blob with no pubs and not a sniff of crumpet on it's soupy expanse. THE BIG BANG was all very well if you were a horny carbon molecule looking for nuclear congress, but a pint of Guinness, a pork pie and a shag were a little hard to come by.

Now I've spent enough time working on a pull, but a couple of million years would stretch even my patience when you consider that all that would be on offer then were AMOEBA Everyone knows that amoeba, like Brooke Shields, don't fuck. They prefer to reproduce asexually; no tongues, no tits, no tight trousers One minute there's one of them, the next minute there's two and so on. Believe me, asexuality is no fun — you spend your whole time splitting up

Another couple of millenia and along came the DINOSAURS Big bastards with huge genitalia and not a lot of sense Now the reason the dinosaurs died out was two fold Firstly they were too dense to work out where to put their collosal members and secondly, they were so ugly that even their natural instincts screamed, "Fuck it, let's go for a curry" Imagine, if you will, a primeval swamp full of fat, wrinkly hags with potato crisp pissflaps and the collective intellect of an ashtray and you can see why they didn't last too long.

Senseless Brut

Then God invented THE STONEAGE This stoneage was a far more happening era as far as sex was concerned. Stoneage Man (so called because he is as old as the 'Rolling Stones') was driven by sense of smell and the discovery of a phenomenon known as "an erection" He was also responsible for inventing pubic hair and it is also from his sexual activities that we derive the phrase "to pull" Short on verbal niceties (animalistic grunting won't get you very far, even in Bermondsey) Stoneage man simply clubbed his intended with a suitable lump of wood and pulled the senseless brut back to his cave by her hair Hence the term. This proved most effective after dark when the unsuspecting female couldn't see him coming and is a forerunner of the modern day activity of "nightclubbing"

Stoneage man was also the original love machine. Not only did he have to contend with a life expectancy of around 20 hence he got as much in as he could in the time alotted but he also had a world to populate

Caveman Sounds

Sexual technique didn't count for much in those days. THE VIKINGS did nothing to improve this state of affairs The policy of drink, rape and pillage added little to bedroom etiquette although they did a demon bottle of Carlsberg. They introduced the word "horny" (from their pronged helmets) to the vocabulary of lust and were also a role model for the 'Club 18-30' holiday

Meanwhile in a (then) 'Club 18-30'-free Mediterranean, THE GREEKS were a far more refined race Here lived a thinking woman's shag with the likes of Plato, Socrates and particularly Archimedes who developed a manoeuvre known as the Archimedes Screw Unfortunately this required a degree in philosophy and a cast iron knob Undeterred, Archimedes applied the technique to the problems of irrigation and unwittingly wrote himself into the annals of enemaology

Their neighbours THE RO-

SEX

BY ROGER DEAKINSOFF

MANS were a lot easier to comprehend. You had no choice. You were invaded, enslaved and indoctrinated to the Roman way of life. Not only were they the pioneers of straight roads, central heating, but also the orgy. They may have worn miniskirts in the army and had communal crappers, but they were a virile crew. They'd fucked most of the world by 50 B.C. so they turned to fucking themselves. The Romans also invented After Eights which were consumed once they'd boffed eight other party goers. Virgins in those days were on a par with latter day vegetarians (i.e. they didn't eat meat).

Apres Shag Fag

Bestiality was also a Roman preserve; goats, sheep, dogs, cattle. Thora Hurd — they'd shaft anything that moved.

Russian born animal lover CATHERINE THE GREAT the first woman ever to indulge in felatio liked to do it with wildlife. Legend has it she died when a horse whose dick she was trying to blow fell on her. (*This is true — Ed.*)

The ELIZABETHANS concentrated their energies on post coital activity. Having tried, and rejected, singing, juggling and ten pin bowling as unromantic, they dispatched Sir Walter Raleigh to the edge of the world for a packet of Rothmans and the apres shag fag became fashionable. HENRY THE EIGHTH would have smoked himself to Kingdom Come had the clap not saved him the bother. As it was, apart from a dose, his only contribution to the world of rumpy pumpy was wife swapping.

Rectal Rectal

Sex ground to a halt with THE VICTORIANS as prudishness reached a pinnacle. It was worse than a week in Pwthelli but not much. Meanwhile Suffragette Emmeline Pankhurst chained her self to the railings demanding equal rights, the vote and somebody to transfer her to the bedstead where she'd introduce them to her clitoris.

In the FIRST WORLD WAR bollocks everywhere were put on hold with bromide at teatime. A futile act as chance are, by supper they'd have been blown off anyway.

Fucking Goddess

The SECOND WORLD WAR saw the Americans making up for lost bed time during the previous global fracas, by fucking anything with an English accent. Suddenly things weren't looking too good for Brits in the bonk stakes.

Then along came the SWINGING SIXTIES and it was shag city. Dolly birds, minimokes, mini skirts, discotheques, psychedelia and free love (though you had to pay for the drugs). Everybody talked like Michael Caine and fucked like there was no tomorrow. Which was just as well because SEVENTIES fashion was so crap they were too busy laughing too much to worry about having it off.

Rubber and Leather

And so onto the EIGHTIES. Women were given a clitoral companion in the shape of the G-Spot, if only they could find it. Rubber and leather wear became de rigeur in the high street stores and Duracell kept the home vibes buzzing. Blowjobs, bare boobs, nude sunbathing, *Sunday Sport*, bonking MPs, pop stars, DJs, cricketers, you name them — they were doing it, in lifts, buses, aircraft, tube trains — even in bed ferchrissake!

Which reminds me, I've got a history lesson with a hot vagina.

'I frigged away at her clit!'

It seems to me that most people's wild sexual exploits occur at parties and in bed. Well let me tell you about my experiences recently which are very different from these and probably much more exciting!

I am 25 years old and attractive enough to have never found a problem getting blokes to screw me when I need it. After a period out of work I answered an ad in a local paper for a job as an usherette at the town cinema. Usually the films are no more exciting than 'Bambi' or 'Jaws', but after a series of unpopular films the manager decided to entice an older audience by screening a late night adult film, the sort you see advertised in men's magazines.

To be honest, I wasn't really looking forward to keeping my eye on a load of dirty old men who'd be leaving more than the odd ice cream stain on the seats! On the night of the film I was wearing a short red mini-skirt, a white cotton blouse and red high heels. I don't always dress like that to work but I was planning to meet a girlfriend after the show for a night out at a club.

Creaming cunt

When the doors opened I was surprised by the amount of good looking young blokes who were coming to watch, and I was pleased I was looking sexy for them. The film started and I sat near the exit with the other usherette, Sarah, to show any late comers to their seats. Sarah's a few years younger than me, has far bigger boobs and is very pretty with long blonde hair. In the first part of the film two blokes are sitting talking on a sofa at a seemingly dull party when this gorgeous looking girl walks in and chats them up. It isn't long before they are all upstairs and shagging each other's brains out. Of course the acting and the plot wasn't exactly Oscar winning stuff but once I'd seen the size of the blokes' pricks and the girl's tits wobbling up and down I really didn't care.

Now I wouldn't describe myself as a lesbian at all but when another equally well endowed girl joined the scene in the film and started sucking at the other girl's clit, I began to get wet between my legs and couldn't resist slipping a couple of fingers in to my panties. I looked at Sarah sitting next to me and it was obvious by the look on her face and the jerking movements of her arm against mine that she'd had a similar urge.

The scenes on the screen were getting hornier and my cunt was creaming up to a real lather as my first orgasm approached. I could feel that Sarah was just ahead of me and I could hear the rasp of her nails on her rock hard clitty above her panting, as she shuddered to her climax.

Then just as my own cunt began to spasm with joy, Sarah reached across and replaced my hand with her own, rubbing at my fleshy lips. I didn't know exactly what to do but I knew she was doing everything right so I certainly didn't want to stop her! But instead of just lying back and enjoying the combined pleasures of Sarah's attentions to my clit and the raunchy happenings on the screen, I put my left arm around her neck and my tongue down her throat, really enjoying the taste of my first woman.

Frigging away

I shoved my right hand down the front of Sarah's panties and frigged away at her clit with my thumb, and stuffed the other four fingers as far up her soaking pussy as they would go. When we had both come about five times Sarah got down on the floor in front of me and tore off my knickers and gave my cunt hole a good tonguing. Sarah finally emerged from my pubes with my love juices all over her face and lips. She crawled up my body, taking care to lick my swollen nipples on her way up, and kissed me deeply on the mouth. She spread my taste all over my tongue and I felt the pleasure of another climax.

Sarah whispered in my ear, chewing on my lobe as she did, "I've always wanted to do that to a girl but it's got me feeling so horny that I don't think I can go the rest of the evening without getting a cock up me as well. So what do you say we go up to the back row and get ourselves fucked?"

Without another word Sarah and I tip-toed up to the back row of the auditorium in the direction of a couple of tasty looking blokes.

Pumping madly

When we got there we couldn't believe our eyes. Flashing our torches on, we saw the amazing sight of two huge pricks being pumped madly up and down. Sarah and I got down on our hands and knees and crawled along the row to where the blokes were wanking and emerged between their legs. As I sank my head down on to the throbbing shaft, the owner of this handsome member jumped a little with surprise. I didn't let this bother me though and was soon enjoying the taste of his thick, creamy come on the back of my throat. It was gorgeous.

Pumping cocks

We changed places and got a suck at both cocks. At the same time Sarah and I held hands or frigged at each other's clits in a scene that was now rivaling the excitement on the screen! We were fucked every way imaginable on the seats and on the floor as we ripped off our clothes and got stuck in to each other's tits and fannies.

Later that night, Sarah and myself met with the guys again and went back to my flat for a marathon shagging session. The blue movies are now a regular feature at the cinema and the audience is up to capacity, which gives Sarah and me more than enough choice of men and women to enjoy while they watch the film.

'It pushed itself in, harder and harder'

CONFESSIONS OF A READER'S WIFE

It was one of those days. I'm sure you know what I mean. You decide to have some cereal and the milk's gone off. That idea abandoned, you see the post on the mat consists of brown envelopes, obviously bills. Well, that's how the day started, but not how it finished, I'm glad to say.

My mother phoned for a moan and said she wanted some shopping done. Normally I'd make a silly excuse but it crossed my mind that the young guy I'd had my eye on in the grocer's might be in there today, and with luck it would be his afternoon off. I agreed to do the shopping, and in my mind, a whole lot more

The shop was just closing for half day, as predicted, when the guy asked if he could help. "I'm sure you can, sonny," I said, making sure my lips pouted around the words He filled my basket with groceries and as he reached for a marrow I said, "Hey, be careful with that, they're very delicate." He smiled, and took extra care. His hairy hands clasped the head of the marrow in a rather seductive way and at that point, I knew my mother would be waiting long past tea time for her groceries.

"You see these," I said, as I pulled my low cut dress down and lifted out by 40" breasts. "Yes," he replied, with trepidation. "Well, these have to be handled as carefully as that marrow." He looked me straight in the eye and surprised me by saying, "Yes, I know."

Deuce, I thought, as we just stood in the shop, wondering what the other was going to say. But he broke the ice by saying, "They're not as tasty, though, are they?"

Throbbing cock

"Mmm, can be," I said, as I let them wobble around a touch. "Why don't you find out for yourself . . ." He came over to where I was standing and stooped down so his head almost disappeared into my cleavage His neat, little pink tongue popped out and began circling one of my nipples. "Hadn't you better close the shop," I said. "In case things go further . . ."

Without even lifting his head

from my tits, an arm came out and moved the sign on the door from 'open' to 'closed'. I was impressed, but more so when he nuzzled his head under my skirt and began tweaking my pubes between his teeth. My fanny was crying out for cock and as I reached down to unzip his tight, khaki trousers, I realised I was too late. His huge, throbbing cock was swinging around in the air, leaving a little trail of juice on his cotton underpants.

I felt my body being pushed onto the soap powder boxes and I didn't put up any protest. My skirt was ruffled up around my waist so I couldn't see what this young whizz was up to. My fanny was certainly on fire as his saliva filled each crevice and his tongue, my hole. He broke away and replaced his tongue with this mammoth cock. It strained at my hole as it pushed itself in, harder and harder, rib by glorious rib, until it had filled me up.

Sensitive clit

"Oh, my God," I gasped as he began pumping away at me whilst he held the stem of his cock and directed it into me each time, his roaming fingers flicking over my sensitive clit as he did.

I screamed out loud as he shot a stream of warm spunk into me and I felt some of the larger globules trickle back out and run in rivulets down my leg. My orgasm sprung upon me when something very hard and much hairier than his cock forced its way into me. I shook all over and screamed so loudly, his hand slapped itself across my mouth to silence me from passing shoppers.

My fanny twinged

I was still shuddering with excitement when he pulled my skirt back down, like a stage curtain at the end of a play. "That was fantastic," I said, with gasps of breath. "Oh, nothing much," he said, as he cocked his head back and rubbed his forearm over the sweat that had collected on his forehead. "I just know how to handle a good marrow," he smiled. I smiled too, it was great.

I made my way to my mother's with the shopping and she began picking things out of the basket as soon as I arrived. "What on earth's this?" she enquired, as she retrieved a damaged marrow from the bottom of the basket.

"Oh, God." I said, when I realised the guy at the shop hadn't been joking. "It's just got damaged on the bus," I said, as I felt my fanny twinge with a strange sensation.

Julie, Gravesend

'My fanny was SOAKING'

I'm what you might call a football groupie. Ever since I was young I've loved the game, and I have many happy memories of going to matches with my father and standing on the terraces getting all excited watching my favourite team. Of course, there was nothing sexual about it then, but now that I'm all grown up there certainly is.

I've lost count now of the number of footballers that I've shagged. Some are quite well known, others not so, but that doesn't really matter to me. These days I just have to get into a ground and I'm feeling horny and ready for a fuck. I'm well known at my local ground, which is a couple of miles from my house, and because I live in London there's no shortage of matches for me to go and watch.

As I said, I've screwed more than a football team's worth, but I want to write about the best encounter I've had, which happened last season. I was hanging around outside a ground on the other side of town, waiting for the away team to arrive. I'd seen one of them, a midfielder, being interviewed on the TV a couple of week's before, and I thought he was one of the horniest guys I'd ever seen. I was determined to score with him, and I wasn't going to have a wasted journey across town.

Juiced up

The coach arrived early and I watched the players get off. I made sure they were watching me by hitching up my mini-skirt so that I was showing all my thighs and a great deal besides. My long legs look great in my high heels and my skimpy top showed only too clearly that I had no bra on. I got loads of admiring glances from the players as I walked past, but when the guy I wanted got off I flashed him an extra inviting smile. I couldn't believe it when he came over to me as the team walked into the ground, and said, "You're too lovely to be here on your own." I tell you, my fanny juiced up there and then, and I knew I could have him.

I tossed my blonde hair and smiled back, and he said, "Come and see me after the match — here's a pass." This was just too good to be true. I hadn't had to do anything and here I was, already scoring. As I watched the match I could hardly contain myself, and couldn't resist a little rub on my clitty through my pocket as I stood there.

After the game was over (his team lost), I waited a while to make sure most of the other players had got out of the dressing room, and made my way down there with my pass. My guy was waiting for me and took me up to the celebrity bar where we enjoyed more than a few of the free drinks. I was getting afraid that nothing would happen, so I took matters into my own hands.

Going to the ladies, I took off my panties and put them in my pocket. When I returned to the bar I leaned over to whisper to my hunk and pressed them into his hand. The reaction was instant. I could see the bulge growing in his trousers as I watched. "I think it's time to head for the dressing room," he said.

Soaking fanny

When we got down there I couldn't get my clothes off fast enough. He stripped off his suit too, and I could smell a lovely freshly washed smell as he took his underpants off, which reminded me he'd just been in the shower. My fanny was soaking at the thought, and I just grabbed his tool, wanking it furiously in my hands as I felt it getting hotter and harder.

"Any more of that and you'll be for the early bath!" he laughed. He meant a come bath, of course, and I begged him to spray his spunk over my face and tits. I wanked him harder as I felt his cock throbbing, and I knelt in front of him to catch the full force of his jizz spray. It felt wonderful as he massaged it into my tits and I licked what I could off my face.

"Get me hard again," he demanded as I knelt there. "I want to shag your pussy." It took me a lot of licking and sucking on his balls and cock to get him hard again, but soon he was bending me over the bench as he filled my fanny from behind, penetrating to the very end of my cunt. I took all he could give me before he shot his load, not producing much spunk this time but still enough for my needs. He made me come straight afterwards by playing with my clitty and kneading my arse firmly with his fingers.

He nearly missed the team coach home after our encounter, so he had to dash off. Still, as he said to me, even if his team lost he still managed an away win that day! —

Erection Withers With Blow-Job

Dear Sally,

I can get an erection very quickly and hold it hard for ages, even after intercourse. However, when my girlfriend, Fran, gives me a blow job I always loose my erection. She feels inadequate even though I've told her to be a little rougher with me as sucks and kisses don't do a lot for my obviously thick-skinned penis.

Mark, Exeter

Sally says: *Poor old Fran, she must feel terrible. If you enjoy a good blow job, Mark, I think you should really explain that your penis is quite tough and can handle a lot of rough play, and ask her to be a little rougher with you each time. She's obviously scared of hurting you, and her sex life in the future if she does any damage!*

Can A Clamp Damage Her Nipples?

Dear Sally,

My girlfriend, Tracey, and I would like your advice on nipple stretching. Tracey has been trying to make her nipples much longer and they've grown from a quarter of an inch to just under half an inch when hard. I'm always licking them and tweaking them and sometimes she wears a nipple clamp. Eventually, we want to stretch them to one full inch so she can have them pierced with large, gold rings, but is it harmful to her nipples if she keeps the clamp on for long periods of time?

John and Tracey, Havant

Sally says: *John, my dear, you've come to the right person for advice. Many years ago I had my nipples pierced so I too could sport a pair of gold hoops. It was a silly idea, the pain was unbelievably excruciating and I could only wear the hoops for twenty minute intervals. During intercourse, I found the pain took my mind away from the act itself and my nipples didn't fully heal for over a year. I later found out that I was lucky, and if I'd had any babies I would not have been able to breast feed them with comfort. John, that's my experience, it may be different for Tracey but I would advise you to enjoy her nipples the way they are. Would you fancy waking up with a clamp on your foreskin? Maybe not, eh?*

No Sex, No Feeling

Dear Sally,

My problem is a silly one really, you've probably heard it before, I can't ever reach an orgasm during intercourse and now at the age of 27 I feel a freak and fake it all the time, even though I cry a lot afterwards and my boyfriend thinks I'm hiding something dreadful, which in a way I am. I really want to come when I'm with him, but I can't. What can I do, will it suddenly happen?

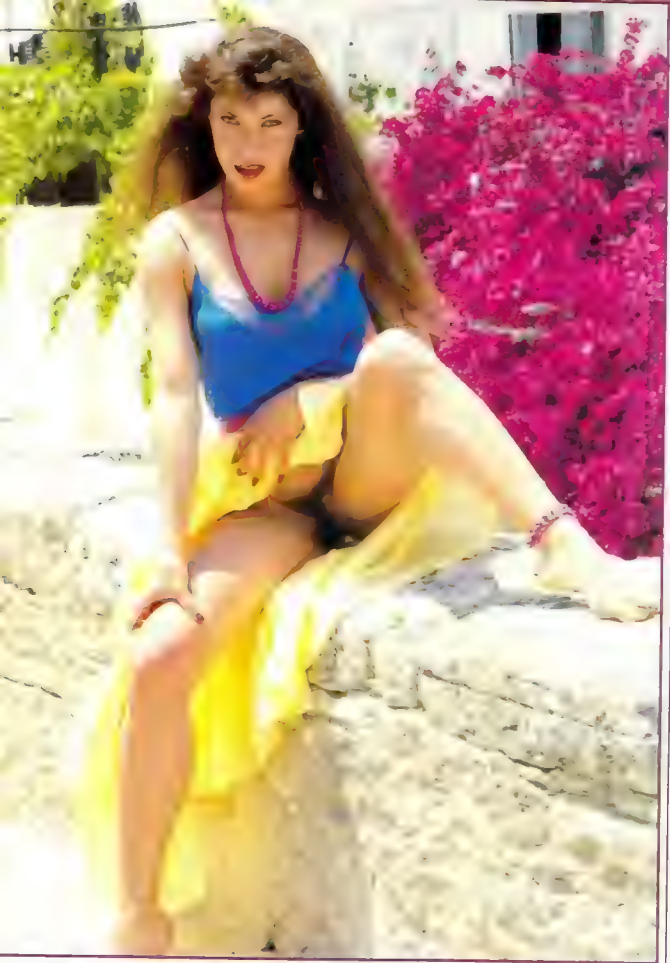
Heather, Perth

Sally says: *Heather, love, no problem is silly, especially if it worries or upsets you, remember that. Some women never achieve orgasms but that doesn't mean to say they don't enjoy a healthy sex life. To start with, these things may help you to achieve an orgasm; masturbation, achieving an orgasm on your own can be easier and less pressured; a vibrator is good too. Have a warm bath before sex, relax and ask your boyfriend to spend a little longer on the foreplay. You may even like to flick through a mag together for stimulation. The main thing to do is not think 'orgasm' every time you get into bed because that will make the problem worse. It'll soon happen, just when you won't be expecting it!*

Small Penis Worry

Dear Sally,

I'm 29 years old and when fully erect my penis only measures six inches. It's not so much the length that worries me, it's very thin too. I've had plenty of one night stands but I know girls just pretend that everything's okay, when I know they can't feel much at all. Sometimes when I wank I can increase the size to nearly eight inches, but it soon goes back to the normal six inches within seconds. I just get so frustrated knowing that I'll never have a good sex life and I'm always



wriggling out of my pants with the lights off when I meet a girl. I'm getting desperate Sally.

Derek, Hatfield

Sally says: *Derek, I really don't thing you've got too much to worry about. An average, fully erect penis is only six inches, so you've go no more or less than most of the males in the country. A thin penis is no problem either, they can probe in and find the women's G-spot more successfully. My guess, Derek, is that you pretend to be someone you're not, getting all these women into bed with flash chat up lines then you imagine they're going to want more meat in their sandwich. Try being a little more sincere and caring and they'll soon appreciate you for the way you are and not what's in your pants.*

Foot Fetish At Large

Dear Sally,

I really enjoy playing with my girlfriend's feet, especially when they're all hot and sweaty when she gets home from working as a nurse. She seemed to enjoy the attention at first but now thinks I'm a pervert and have a warped mind. It was only a bit a fun, Sally, I know lots of men who love women's feet, but now she won't let me play with her beautiful tootsies.

Wayne, Slough

Sally says: *Personally, I love having my feet tickled, stroked and licked and I have, in my time, wanked a guy off this way. Some people like hamburgers, some don't. There's nothing perverted about it at all, although I can imagine she may not feel like rushing home very night from work knowing you're going to make a bee-line for her feet. Mix in this foot play with care, love and good sex and she'll soon realise your mind is not warped, but as healthy as your sex drive!*

Brother Had Oral Sex With Wife

Dear Sally,

I've never enjoyed oral sex and since I married my wife, we've always had straight sex. Last weekend I came home and found my brother giving my wife oral sex. She was sitting on the kitchen table with legs spread wide and he'd puller her panties down and was slobbering away. She saw me first and pushed hime away. I was disgusted when his head came up with her fanny juices all around his mouth. I was too shocked to say anything and he left, but my wife has since told me that she plans to go on with it, as I can't satisfy her that way. I don't want to leave her, she's my whole life

Andy, Bromley

Sally says: *It's a shame that your wife has taken it upon herself to find alternative sex with your brother. It would be wise for you to have a word with him about what you saw and tell your wife that she either chooses you, with the love and stability of a good relationship or to go and find others who'll participate in oral sex, as long as you make it clear you won't be there when she comes back. It'll be a tough decision but if nothing is done, she'll carry on, even behind your back*

Never Randy At Night

Dear Sally,

My girlfriend, who works from 9-5 in an undemanding job as a dress-maker, is alway too tired at night to have sex with me. She teases me and tells me she often feels randy during the day at work which is no use to me. We have a nanny to cope with the kids so I can't understand what's wrong with her. Do you think she's bored with me, or me and sex together?

Danny, Wimborne

Sally says: *Danny, my guess is that she's very keen, that's why she's dropping hints about her daytime randiness. But, yes, she may be bored with routine sex. Why don't you make a special time for sex at the weekend, possibly in the afternoon? The nanny could take the kids out so you've got the place to yourselves, then you can relax with no time limit. Maybe a good book on sexual positions etc. might prove a good buy, but only if you look at it and experiment together.*

Sagging Fanny Lips

Dear Sally,

I've only had intercourse with my new girlfriend, Tanya, twice, but on both occasions I noticed how much larger her inner labial lips were from her outer ones, although her outer fanny lips are voluminous and sag like empty punch bags. It looks quite odd, but doesn't put me off sex, it just worries me that she won't be as sensitive there as most women are.

Steven, Wirral

Sally says: *People vary so much in shape and size, Steven, even their genitals. You've conditioned yourself to think that all female fannies are neat flaps and folds, but they're not at all. After a while, you shouldn't notice any difference and as far as sensitivity is concerned, you'll be surprised to learn that sometimes larger labial lips can be stimulated more easily and much quicker than their smaller counterparts.*

FLAT MATES

"Oh, Christ," shouted Sybil, as she pulled her knickers down and fingered her oozing slit. "I haven't had a good cock for months."

It was true, because I hadn't had sex for over two weeks myself and I knew how frustrated she felt. She undid her flesh coloured bra and let her tanned tits fall out and cascade over her gypsy-lace blouse. "These nipples are aching, Sue," she said as she popped her fingers into her mouth and twisted her nipples with the saliva until they took the shape of bottle tops. "Come on, Sue, get your clothes off," shouted Sybil, as she swung her legs over the sofa and began flicking the feather duster over her itching fanny.

I wriggled out of my clothes and joined her on the sofa. "Ooh, aagh!" came the noises from Sybil's pout-

ing, well lipsticked mouth. "I'm coming," she told me, with a smile as big as a Cheshire cat. Her hands plunged in for a few more jerks before she tossed her head back and let out a long pleasurable "aaagh!"

She sat motionless for a few moments before her hands wandered over to my pubic mound. "Having a problem, Sue?" she enquired, with a smugness I didn't enjoy. "I'll have to do one of my 'specials'" she mused as her fingers began tickling my fanny flaps.

She slid onto the floor and poked out her long,

pink tongue. Her head buried its way into my cunt and within minutes, her steaming little snake-like tongue was darting in and out and round and round, sending shivers all over my body. It was soon my turn for the "Ooh, aagh," as I felt this little irritation between my legs grow into a full blown orgasm and sent me shaking from tit to toe. "You've made it," cried out Sybil, as I noticed her own hands had plunged back into her own foaming fanny. "Yes," I shouted. "Yes, I've made it!" We rolled around in the sweat and juices of our bodies before we started back on the cleaning of the flat. Who said chores can be boring? Not us!

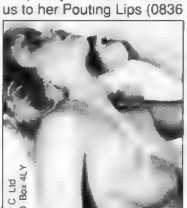
Bathtime Bonking

After a particularly filthy game of rugby with the lads, we all like to get Wet & Soapy (0836 405 550) to get all the grime off, but imagine our surprise when Miss Gymslip (0836 405 551) entered the room by mistake.

When we all cheered she decided to take advantage of the situation, and started to do a Striptease (0836 405 552). She peeled off her Bursting Bra (0836 405 553) to reveal her Clinging Cleavage (0836 405 554) to us all, then threw her Unrolled Stockings (0836 405 555) to us. As we fought over them in the water, she dangled her Silky Thighs (0836 405 556) over the edge of the bath and began to Stroke Me Slowly (0836 405 557) with her feet. One of the lads then grabbed her Warm Wet Cheeks (0836 405 558) with his Clammy Clench (0836 405 559), and pulled her into the water, allowing me the chance to use my Expert Tongue (0836 405 560) on her Moist And Memorable (0836 405 561) body. She then treated us to her Pouting Lips (0836



and made us all Moan In Foam (0836 405 563).

Since then she pays us all regular visits, but I'll tell you about them another time.

orgasm of electrifying exhileration. My hot semen strikes her smiling pale face and then drips down onto her exquisitely sculptured breasts. She drinks what she can, for my love juice refreshes her; she is proud and grateful to have taken so much, for she is a true lady.

But I am far from done with her yet! I regain my strength and carry her to the great four-poster bed, disrobing her with trembling hands, greedily feeling the ample flesh beneath her drawers, which I soon toss to the floor. . .

I position Frances on her hands and knees and proceed to kiss and lick here pliable, baby-soft bottom, while lightly stroking the proferred white cheeks, delighting in their pudginess, adoring the sight of her gaping succulent anus. I glance up at a mirror positioned by the side of the bed, and see that the lovely model is close to ecstasy, luxuriating in the sensations that my tongue is bringing her. Her head is raised high, and pride is written all over her superior, haughty features — oh! the hot-arsed little mare.

My saliva has wetted her fanny very nicely, and she is ready now for doggy love. The feeling as I enter between her pillow-like cheeks is indescribable bliss. We are united now by all-conquering cock.

My hard, hairy body thrusts mercilessly into her gorgeous female softness, rogering her fast and stiffly with intense satisfaction. But she loves it, and looks back at me with a sexy smile, hoping that the teasing look will inflate my dickie still further and thus increase her wanton pleasure. I put my hands on the fabulous, hour-glass hips that no man has touched before — and then I release all of the lust syrup from my glands and collapse onto her.

Frances smiles radiantly as my spunk spreads and trickles about her fully satisfied buttocks and she thinks to herself: 'I'm a beautiful girl and you've just fucked my hot little fanny! I'm beautiful and you know it I've just stolen your spunk and every bit of strength from your body!'

Some more rear views of classical Frances, please. I want to do my balls in over her again.

Martin, Hampshire

Black Forest Goodies

I couldn't resist sending in this photo of my wife, Helia, who's always had a bushy mound, much to my annoyance as I'm going bald in my late thirties — and my head doesn't get half so much use as Dylan's fanny does!

Harry, Bodmin

Minge tout

Tom from Canterbury sent this snap into the Razzle office, confessing to know the sexy secrets of the French. Are other European pricks bigger? The guy in the photo has either asked over all the relations for a snack or he's in for a heavy session and doesn't want to disappoint madame! Bon apetit

LITTLE TITTERS

"You're going to have to do something to make your act a bit more exciting!"

Frigging Marvellous

I've been reading in Razzle about all the guys who prefer hairy cunts to bald cunts and think you should divert your studies and find out what girls use to frig themselves with. I'm sure you'd be surprised how resourceful us women can be when left to our own devices.

Personally, I find a wooden hairbrush handle does the job to my satisfaction but my mate, Sandra, told me one day that she always uses the holder for her heated brush. My sister must have the worst idea though 'cos it took me ages to work out why her deodorant stick was sticky on the outside too!

BEST -Bits-

Gentlemen, has your other half got a nice pair, top *and* bottom? Because we're after matching sets of buttocks and bosoms to ogle over. We'll be awarding a tenner for every pair of pics published. So, do a double take with your cameras and send your tantalizing twin sets along to Razzle, 2 Archer Street, London W1V 7HE. All the best things come in pairs.

Belinda loves a quick brush up with the boys and opens her palette for anyone who asks! She's a dab hand at landscapes and murals but she tells us that she keeps her moistened gouache out of the sun. Quite rightly so. Belinda.

When I go to the supermarket I pick out the cucumbers and baby marrows to play with and I can tell you I've had a few glares at the cash desk from guys when they see that all the articles in my trolley are of similar frigging shape. What do your models use? I think you should ask your roving reporter, Janet Spencer, to do a survey on frigging follies.

Marcia, Poole

We'll certainly get our finger out on this one, Marcia — Ed!

FOOTNOTES by Tony Neat

CHESTNUT CORNER

Q: What's 80 pages of fun and hands out fivers for a laugh?
A: Razzle
That's right readers — we're now giving a crisp £5 note for every joke we publish. So tickle us with your funnies and laugh all the way to the off-licence. Send 'em to: Chestnut Corner, Razzle Magazine, 2 Archer Street, London W1V 7HE.

★ A married couple were enjoying some outside lovemaking, when the lady suddenly sat up, tutting and frowning. "Darling," she said, "I do wish you'd go to the optician again soon."
"Why, love?" he asked.
"Well," she replied, "you've been eating the grass for the past ten minutes."

★ Under the village apple tree
The village idiot sat
He amused himself by abusing himself
And catching it in his hat
John, London

★ Q: What is oval, covered in short curly hairs, begins with C and ends with T, and is nicely moist inside?
A: A coconut.

★ Q: What's the difference between a young whore and an old whore?
A: A young whore uses Vaseline and an old whore uses Poli-Grip.

★ The beautiful Lady of the Manor returned flushed from the Hunt Ball and rang for her footman. When he came into her bedroom, she said: "Charles take off my shoes," so he did. Then she said: "Charles, take off my coat," so he did. Next she asked him to take off her dress and then said: "And now, Charles, take off my underwear." When he had done this, the Lady said: "Now Charles, if you expect to remain in my service, you are never to wear my clothes again."

★ A lad sees a horse outside his house with a hard-on. "What's that?" asks the lad. His dad tells him that the horse is probably excited because he's seen a girl horse. "Oh," replied the lad, "Mum said it was nothing much."
"Well," said his dad, "your mother's been spoilt over the years!"

EXPLICIT SCAN MAGS -UNDER £1.50 EACH

UNCENSORED

Very explicit, completely uncensored, full colour sex mags that would cost £25 each and more in Soho. Superb printing in full colour enables you to see every minute detail. These photo colour mags leave absolutely nothing to the imagination, bringing you a feast of uncensored, explicit sex. These low prices are only available because we bulk bought nearly 2 million titles and we are selling them in groups of six to keep the high cost of individual magazine despatch down. We are sure you will appreciate our efforts in keeping costs down and we ask only that you buy at least the 6 titles in each group offered.

MS/11 THESE SIX MAG TITLES JUST £9.95

RODOX: Stunning well built girls cajole and caress the boys into more and more frantic sex action

LESBIAN LOVERS: All action lesbian lust with the dildo crazy butch older woman and her two young, blonde female lovers.

SENSATION: George and his thunderbolt, when roused can satisfy at least three sex hungry girls together – see him in action

COLOR CLIMAX. Take John Holmes' 10" of massive manhood and let Ursula put it where she wants.

TRANSEXUAL TRIO: You can hear the sound of leather and the cranking of chains in this explicit portrayal. Mixed sex like you have never seen it mixed before!

PUSSYCAT: All girl group sex orgy – packed with dildo and object sex

18 SEX MAG TITLES AT CRAZY PRICES

MS/12 THESE SIX MAG TITLES ONLY £9.95

Rarebit of Stuff

This month we're delving deeply in to Linzi's lush valley. She's our Welsh rare bit of stuff but she won't allow any concessions to go on the slate. "I enjoyed my trip to Wales to watch the rugby," said Linzi, who found herself in a few uncompromising tackles. "The men were all so hunky," she sighed, obviously with thoughts of Tom Jones splitting out of his trousers. "I didn't see Ivor The Engine though, and daffodils were out of season, but one thing that's always in season is men and I've got my pick of tenors in the Welsh male voice choir," she chuckled.

BONK NOTE!

Are you getting enough? Well, now you can get just as much — or as little — as you want, with our great cut-out-and-keep bonknote!

It's a doddle to use: just snip round the bonknote, ring the number of bonks you fancy, and hang it on the handle of the bedroom door. When you other half comes in, they'll know exactly how many you require. There'll be no more of that awkward shuffling about if you don't reckon you've had your ration, because everybody knows the score.

We've kept the top number down to six, just so the Ed doesn't start to get depressed with his meagre performance. But if you want a few more, just write 'em on!

If you're a lady reader, you could even leave our note out for the milkman. Don't be surprised if that starts some gossip, though. . .
